About the College

PET Engineering College established in the year 1998, is the fruit of the dedicated effort to provide quality education and to develop transferable skills to the future technocrats. The Institution is situated at a sprawling site of 57 acres on the Vallioor - Tiruchendur highway about 3 Km from Vallioor. The College has completed 13 years of dedicated and excellent service in the field of technical education. The College is an ISO 9001:2008 Certified Institute and accredited by the Institution of Engineers (India). We offer 5 U.G Programmes and 4 P.G Programmes. All the Departments have well equipped laboratories with state of art technology and other facilities.

About the Department

The Electrical and Electronics Engineering Department was started in the year 1999. The Department has fully equipped Electrical Machines lab, Control Systems lab, Power Electronics lab, Microprocessor and Microcontroller lab, Digital and Linear IC lab and Power Systems Simulation lab for the practical and research oriented works of the students. The Department has a team of stable and dedicated faculty members.
